EXPERIENCE

Media Design Apprenticeship   09/2023 - Present
WWWE GmbH

Building upon the knowledge gained from my internship, I actively engaged in client-driven projects, focusing on customized solutions, graphic concept development and design. My responsibilities include project updates, communicating with clients, website maintenance and testing.

Web Design Internship   05/2023 - 08/2023
WWWE GmbH

Developed expertise in testing, data and template conversion, digital image editing, and full-page layout design.

Freelance UI   01/2021 - 03/2022
Upwork

Delivering visually compelling and user-centric digital interfaces for diverse clients, showcasing strong design skills and creativity.
